CONTRACTOR BOARD

Contractor Grade Surface Protection.

HEAVY DUTY

Strong protection of floors and other surfaces from foot traffic, ladders, dropped tools, dollies, lumber, construction supplies and other tools and equipment.

COST EFFECTIVE

Contractor Board is cost effective compared to other flooring protection. Our board helps save against expensive repairs.

STAIN/WATER RESISTANT

Repels water and stops mud, paint and other spills to keep surfaces from staining.

BREATHABLE

Allows moisture to migrate out so flooring and other surfaces won't be damaged due to water vapor retention.

RECYCLABLE

Reusable or disposable.

EASY TO USE

DIRECTIONS:

1. Wipe floors clean.
2. Roll out and overlap 1-2" then tape with a 2" wide durable high tack tape.

Works on any type of floor or hard surface. Commercial or residential.
