

Paint Ranger

Superior Masking, Rosin & Builder's Paper

Paint Ranger Masking Paper was designed for the purpose of masking off areas that you don't want painted or damaged by a foreign substance. To avoid scraping paint off unwanted surfaces, mask first using Paint Ranger. Color: Brown

Paint Ranger is light weight and is available in convenient and easy to use rolls in a variety of widths ranging from 3" to 18" and 180' in length. Use the 3" to 6" rolls for small areas such as window panes or around woodwork to paint only the surface you intend to paint.

Use the larger width rolls, 9" to 18", to cover doors, cabinets, walls and appliances to protect from paint, dust and other foreign substances. Paint Ranger will provide you with the same quality of products that you have already come to expect from TrenTek.

**Red Rosin and
Builder's Paper
